STATUS REPORT

Counsel has a Status Report calendared due today. Counsel does not see the Order on ECF. In an abundance of caution, counsel files this status report. There are Federal and State charges against Mr. Carmichael. The defense has discovery in this case and is attempting to reach a settlement in this case. We are awaiting a response from the Government. It seems that a global resolution regarding both the Federal and State charges is possible, although we have not structured the agreement yet. Once we heard from the Government, then we will attempt to fashion a global resolution that includes the State charges.

Dated this 10th day of August, 2020.
